

**I – Identification of the Substance and of the Company**

SUPPLIER: RMO, Inc.
650 W. Colfax Ave.
Denver, CO 80204
303-592-8200

Trade Name and Synonyms –
Description: Muscle Anchorage Appliance
(Denholtz)

Product Grade / Name:
Chemical Family: **POLYETHYLENE**
CONCENTRATE

Note: Use in conjunction with TruChrome
MSDS (Stainless Steel)

II – Composition / Information on Ingredients

<u>MATERIAL</u>	<u>PERCENT</u>
Low Density Polyethylene	95.963%
Rutile Titanium Dioxide	3.999%
Pure Red Iron Oxide	0.030%
Pigment Violet 19	0.008%

III – Hazards Identification

These products should not be considered hazardous when used as intended and in accordance with good manufacturing practice.

Threshold Limit Value: Not established.

Effects of Overexposure: None expected.

Warning: Molten material will cause thermal burns.

IV – First Aid Measures

None

V – Fire Fighting Measures

Flash Point: Not applicable

Flammable Limits: Not determined

Extinguishing Media: Water, CO₂, Dry Chemical

Special Fire Fighting Procedures: The use of self-contained breathing apparatus is recommended for any fire involving chemicals.

Unusual Fire and Explosion Hazards: None known.

Hazardous Combustion Products: Carbon dioxide, carbon monoxide.

VI – Accidental Release Measures

Collect and contain by mechanical means.

VII – Handling and Storage

In accordance with good industrial practice, handle with care and avoid unnecessary contact. Wash after handling, and before eating, drinking, or smoking.

Avoid contact with molten material. Store in ambient temperature. Avoid contact with oxidizing material. Store away from any area where the fire hazard may be acute.

VIII – Exposure Controls / Personal Protection

Respiratory Protection: None should be needed when used as intended.
Ventilation: Use local exhaust as needed to control fumes during processing.
Protective Gloves: Recommended during processing.
Eye Protection: General safety procedures should be followed.
Other Protective Equipment: Should not be required.

IX – Physical and Chemical Properties

Boiling Point: N/A
Vapor Pressure: N/A
Vapor Density: N/A
Solubility in Water: Negligible
Appearance and Odor: Odorless pink solid
Specific Gravity: Not determined
Percent Volatile by Volume: Not applicable
Evaporation Rate: Not applicable

X – Stability and Reactivity

Stability:

Unstable () Stable (X)
Conditions to Avoid: Not applicable.

Incompatibility:

Material to Avoid: Avoid contact with strong oxidizing agents.

Hazardous Decomposition Products:

Combustion will produce carbon dioxide and carbon monoxide, and may produce potentially hazardous oxides of metals.

Hazardous Polymerization:

May Occur () Will Not Occur (X)

XI – Toxicological Information

No data available.

XII – Ecological Information

No ecological effects are known.

XIII – Disposal Considerations

Dispose of in accordance with Federal, State, and Local Regulations. Incineration is the recommended method of disposal.

XIV – Transportation Information

Not regulated.

XV – Regulatory Information

These products are manufactured using Good Manufacturing Practices and are regulated as Class I Medical Devices by the U.S. Food and Drug Administration, Class II by the Canada CMDR, and Class IIa by the Medical Device Directive 93/42 EEC for the European Community.

OSHA Classification: Non-hazardous

SARA 313: None

XVI – Other Information

Note: While the information and recommendations set forth on this data sheet are believed to be accurate as received from our suppliers, RMO, Inc. makes no warranty with respect thereto and disclaims all liability from reliance thereon.
